- Next Meeting on May 20th, 2010

Welcome

- First User Group Meeting of 2010

- Recognition:
    - **Thank you, Angie Pitt, Former ARIS North America User Group Chair**

New Co-Chairs

- **Angela Walsh:**
  - works at Pfizer in Collegeville, PA. She has a background in Business Process Management, Change Management, and Project Management on large scale system implementations (e.g. SAP). She has been using ARIS for 3 years. She is also a certified Six Sigma Green Belt.
  - Email: angela.walsh@pfizer.com

- **Donald Dillon:**
  - works for Siemens Energy Inc. in Orlando, FL. He has a background in transportation and logistics, with a focus on customer service and process support. Donald has been using ARIS since mid-2006 and is a Certified ARIS Professional (ABA).
  - Email: donald.dillon@siemens.com

ARIS User Group North America

Meeting Approach

- We want this user group to be a resource for you regarding ARIS and Business Process Management in general.

  - Our User Group theme for this year will be "BPM Innovation: Extending your BPM solution"

  - Each meeting will focus on a business process management topic conceptually first and then provide an example regarding the use of ARIS to support that area of business process management.

Meeting Topic Survey

- Sending out a survey regarding your interest in meeting topics that support the theme in the next week.

- After Survey results are collected, we will lock down the agenda topics for each month of the year and publish them to ARIS Community.

2010 Meeting Schedule

- Meetings will be held on the third Thursday of every month at 11:30 am – 12:30 pm Eastern Time

- Meeting details will be sent to the ARIS customer list via email and also posted on ARIS Community

ARIS Community
